FRANKLIN COUNTY EARLY COLLEGE HIGH SCHOOL PROJECT

We have provided Grant Writing help for ECHS Teachers in 2018 and are anxious to hear this month about two outstanding CenturyLink Grant Applications - one by Katelyn Jones for Math Calculators, and the other by Ms. Sharma for a Science LabDISK- GlobiLAB Kit.

We are working to complete our outstanding initiatives this term: mulching STEM Garden perimeter walk/work ways; fundraising help for DC Class Trip; preliminary landscape plan ideas for the outdoor median area with help from Tim Hanauer, Triangle Land Art then pause our activities over the Summer.

"UNION BOUND" MOVIE OPPORTUNITY

If you belong to another organization that would like to understand the experience of producing the film "Union Bound" that we featured in March - from script to release, together with the actual Civil War journals and artifacts - contact members Pam and Bill Jay from Wake Forest who made the movie. They can arrange a private event: Call 919-649-3134 or pjay0826@gmail.com

NEWS & OBSERVER: "BEST KEPT SECRET IN FRANKLIN COUNTY"

We received the Raleigh NEWS & OBSERVER (N&O) paper contest award as the "Best Kept Secret in Franklin County" in July 2014. The statewide contest selected one Site in each of the 100 Counties of North Carolina. SHARON BILLINGS TEACHES AT ECHS (March 23rd)

Society Member, Sharon Billings, on March 23rd discussed and demonstrated Plant Genetics and described work career opportunities in available in that field with students in three of Sanjana Sharma's Earth Science classes. ECHS Teachers are always looking for career professionals to visit and speak about how they discovered their career path and descriptions of the types of available work.

ENVIROTHON COMPETITION (March 22nd)

For the first time, ECHS fielded 22 of Sanjana Sharma's Earth Science students (5 Teams) at the NC SCS (Soil Conservation Service) Division IV Envirothon Competition held at the NCSU Beef Research Farm in Butner, NC. About 300 Students from High Schools across this 8 County Region attended. The competition is centered on four universal testing categories (i.e., soils and land use, aquatic ecology, forestry, and wildlife) and a current environmental issue. The Top Scoring 7 Teams qualify to go to the NC Statewide Competition to be held at the end of April at the NCSU Main Campus in Raleigh. ECHS did not qualify this

year, but this experience served as a great learning experience. See www.ncenvirothon.org/ for complete details. Ken Billings and Bob Radcliffe attended to serve as proctors.

STEM GARDEN UPDATE (March 23rd)

The seeds planted on March 9th have begun to germinate with better progress showing in the cold frames as expected, but also under the row cover cloth and even in the bare soil raised beds sections. The weather has been very cold and wet, but the seedlings (lettuce, cabbage, spinach and radish) are surviving! Students are also experimenting with seed germination at home—standard seed germination rate test protocol between damp paper towels—varying the water pH to see the effects. Ken Billings and Bob Radcliffe will continue to provide help.

YARD/BAKE SALE FUNDRAISER FOR DC CLASS TRIP (March 24th)

ECHS English Teacher, Elizabeth Grothmann, is spear-heading the school's first DC Class Trip. Kerry Carter, Linda Lamb, Margaret Hilpert and others helped to assemble donations which were sold at the Yard/Bake Sale Fundraiser on March 24th at the school property located adjacent to the Vance-Granville Community College at 8150 Hwy 56 West, Louisburg, NC. Over \$1000 was raised!
