### FRANKLIN COUNTY EARLY COLLEGE HIGH SCHOOL PROJECT

We have provided Grant Writing help for ECHS Teachers in 2018 and are still waiting to hear about two outstanding CenturyLink Grant Applications - one by Katelyn Jones for Math Calculators, and the other by Sanjana Sharma for a LabDISK/GlobiLAB Science Kit.

We have completed our outstanding initiatives this term: mulching STEM Garden perimeter walk/work ways; held a fundraiser for Elizabeth Grothmann's DC Class Trip. We still intend to solicit preliminary landscape plan ideas for the outdoor median area from Tim Hanauer of Triangle Land Art, and then pause our activities over the Summer.

### "UNION BOUND" MOVIE REMINDER

If you belong to another organization that would like to understand the experience of producing the film "Union Bound" that we featured in March - from script to release, together with the actual Civil War journals and artifacts - contact members Pam and Bill Jay from Wake Forest who made the movie. They can arrange a private event: Call 919-649-3134 or [pjay0826@gmail.com](mailto:pjay0826@gmail.com)

### NEWS & OBSERVER: "BEST KEPT SECRET IN FRANKLIN COUNTY"

### DC CLASS TRIP FUNDRAISER UPDATE

ECHS English Teacher, Elizabeth Grothmann, has spear-heading the school's first DC Class Trip scheduled for May 4-5th. Kerry Carter and Linda Lamb prepared the food, Stella Jones and Doug Ross performed and over 25 attended on Saturday, April 21st and enabled us to raise over \$1000. Special recognition goes to Linda Lamb for her housekeeper's \$500 Business contribution.

### STEM GARDEN UPDATE

The seeds planted on March 9th have germinated with better progress showing in the cold frames as expected, but also under the row cover cloth and even in the bare soil raised beds sections. The weather has been very cold and wet, but the seedlings (lettuce, cabbage, spinach and radish) are surviving! Students are also experimenting with seed germination at home - standard seed germination rate test protocol between damp paper towels - varying the water pH to see the effects. Some initial harvesting is planned for May 3rd. Ken Billings and Bob Radcliffe will continue to provide help as needed.

### ECHS MEDIAN LANDSCAPE PLAN

Kerry Carter is working with Tim Hanauer of Triangle Land Art to capture some preliminary ideas about how to improve the utility and beauty of the Median area between ECHS and VGCC. The ECHS property has very limited outdoor space. Our thought is to maximize the use of the median by creating a long-term landscape design that could be incrementally implemented over time. Most certainly, the FCSS would have to approve any such plan. We hope this step on our part will begin a discussion of its merits, and ultimate approval.

### LYNCH CREEK FARM ARTISAN BAKERY PICK-UP SITES?

We are enlisting small businesses to serve as Pick-up Sites for the local delivery of our Artisan Bread Orders in Wake, Franklin and Vance counties. Do you have any local suggestions or contacts that would be of help? We believe that this model will increase Foot Traffic and Sales for your local business Pick-up Site. Contact us by Email at [bakery@lynchcreek.com](mailto:bakery@lynchcreek.com) with any suggestions or contact information you may have.

Our BAKERY Concept is to initially advertise Bake Days twice per month, take online Orders only from our eCommerce Storefront at [www.lynchcreek.com/store/](http://www.lynchcreek.com/store/) and accept Payment using PayPal. Upon Checking-Out your Shopping Cart, you Select a preferred Pick-up Site, and receive an Order Confirmation Email. All you have left to do, is stop by your Local Pick-up Site.
